KEEP IN MIND

GUIDELINES

KEEP BROWSING!

Additional photos, information, and styling ideas are available online. Visit **DecorativeFilm.com** to take your inspiration even further.

CREATE AN ACCOUNT

Decorative Films is your project partner. Create an account to easily organize different projects, order samples, and reorder quickly.

CHECKING SPECS

Full specifications and technical data are available for all films. For film costs, opacity, durability, fire ratings, sizing options, and more, review the individual product pages at **DecorativeFilm.com**.

ORDERING SAMPLES

Find a few films you like? Use our 5"x7" oversized samples to see what each film looks like in your space. To order and track your FREE samples, log into your account or order directly from each product page.

SHIPPING + AVAILABILITY

All films are kept in stock and ready to ship out of our Maryland warehouse. Most orders ship via UPS within 24 hours of order receipt.

INSTALLATION

Detailed installation guidelines are available online. Installation kits are also available—so everything's ready to install, right out of the box.

WARRANTY

All films are backed by a standard five-year warranty. Visit **DecorativeFilm.com** for full warranty guidelines and limitations.

About Decorative Films

Decorative Films is a U.S.-based industry leader in the design, manufacturing, and distribution of premium window films for privacy, solar control, sustainability, and decorative applications. Family-founded in 1979, we bring over 40 years of expertise to residential customers, professional installers, architects, designers, and commercial specifiers worldwide.

Our trusted brands—SOLYX®, SimGlass®, UltraCool®, UltraSafe®, UltraGreen®, and UltraGlare®—offer effective, affordable solutions to a wide range of design and performance needs. With over 2,850 certified dealers across the U.S. and global distribution in Europe, the Middle East, India, Italy, and Australia, our network ensures access and support wherever our products are specified or installed.

All quality films are stocked and ready to ship, sold by the foot for maximum flexibility, and backed by our industry-leading warranty. With over 50,000 rolls in inventory, we offer fast turnaround and dependable availability. Whether you're retrofitting a home, outfitting a commercial space, or specifying a project from the ground up, our made-to-order capabilities and extensive catalog deliver unmatched variety, quality, and performance.

Proudly designed and manufactured in Frederick, Maryland, every order supports our dedicated team and their families. Thank you for choosing Decorative Films—where we help customers see windows in a whole new light.

Sustainability:

At Decorative Films, sustainability is a key driver of our product innovation and manufacturing practices. Our window films help reduce energy consumption by enhancing insulation, controlling solar heat gain, and minimizing HVAC demand—contributing to more efficient, environmentally responsible buildings. All SOLYX® films are proudly certified Intertek Clean Air GOLD, meeting stringent standards for low chemical emissions to support healthier indoor air quality. We also offer eco-conscious options like our UltraGreen® line, harnessing advanced, sustainable coating technology and PVC-free base materials to set a new industry standard for eco-conscious design that aligns with LEED certification and green building goals.

CUSTOM GLASS FILM, REIMAGINED.

At Decorative Films, we understand that some spaces call for something truly special. For over 15 years, our custom film service – formerly known as Solyx iQ – has empowered designers and glass film installers to create one-of-a-kind solutions that go far beyond our standard products. Our trusted team will continue to deliver the same exceptional service for custom films, but under a new name – Design Studio.

With Design Studio, you have the freedom to bring your vision to life through custom gradients, murals, and repeatable patterns – each designed and manufactured uniquely to your order. Whether you're looking to add privacy, bold branding, or modern design to your interior, our staff works with you to craft film solutions that are not only visually striking, but elegantly functional as well.

Crafted with premium materials, short lead times, and low minimum orders, every Design Studio project delivers unmatched quality and service – all while providing an experience that is truly unique and authentic to your own design.
